CITY OF GRANTS PASS

Commercial and Public Development Sewer Use Certification (Effective Jan 1, 2019)

To be completed for all new sewer connections, reconnections, additions or change-of-use of existing connections. This form does not apply to repairs or replacements of existing sewer connections.

Pursuant to City Ordinance No. 5301, all sewer customers who establish a new service which uses City-owned sewage facilities shall be subject to a System Development Charge. The City Council has established the amount of the charge at $3,179 per equivalent residential unit. The purpose of the charge is to recover costs of providing sewage system capacity for new sewer customers. The charge is collected at the time of permit to connect to the system. Questions regarding the charge or this form can be referred to the City Community Development Department at (541) 450-6060
