Inaugural Photo Contest

The City of Grants Pass Public Works Department is seeking photo entries for the 2021 “Importance of Your Water” Photo Contest. All levels of photographers, from amateur hobbyists to local professionals, are encouraged to enter.

Photos must be submitted in digital format suitable for reproduction. All photos are subject to creative cropping and manipulation needed for the formatting of the city’s annual Consumer Confidence Report (CCR) or any additional printed or digital materials used.

First place contest winner will receive a $150 prize, photo placement and credit on the city’s post card notification and CCR, as well as announcement on the City of Grants Pass website with proper credit.

Second place winners will receive a $75 prize and photo placement in the city’s CCR and announcement on the City of Grants Pass website with proper credit.

Deadline:
5 p.m. Dec. 17, 2021

Contest winners will also be featured in the city’s GP Now newsletter, social media posts, and promotional activities, as well as receive recognition at a Grants Pass City Council meeting.

Deadline for entry is 5 p.m. Friday, Dec. 17.

Early entries are accepted so that photographers have time to plan for the best weather and lighting conditions to capture their images.

Photos will be judged for the best-suited photo representing the “Importance of Your Water” theme for use in the CCR and other printed materials. Submitted photos will become the property of the City of Grants Pass and may be used for additional materials without any restrictions.

Photographers may request forms to be mailed to them by calling (541)450-6110.

Details of photo contest rules and entry forms are available online at: https://www.grantspassoregon.gov/1434/Importance-of-Your-Water-Photo-Contest

Get Involved! Join a City Committee

One of the best ways citizens can directly get involved with their city government and make a contribution to their community is by serving on a city committee or commission.

The City of Grants Pass has multiple committees and commissions designated to assist the community in areas of housing development, economic development, public art, biking and hiking trails, urban trees, and more.

There are currently multiple openings across several different committees. Residents should consider volunteering to help make a difference in the future of Grants Pass.

**Housing Advisory Committee**

Applications are being accepted for two positions on the City of Grants Pass Housing Advisory Committee (HAC) due to expiring terms. These are three-year appointments.

The HAC explores opportunities to facilitate the provision of housing for all income levels, and it makes recommendations to the city council. It also promotes public awareness of housing resources and promotes public participation in identifying and addressing housing issues and needs.

The city council may authorize HAC to conduct those public hearings specified in the city’s Community Development Block Grant citizen participation plan, which are not reserved to the city council for decision-making.

There are special qualifications for these positions. One must be filled by a representative from a financial institution or lender and one must be filled by a representative who is a renter in the low-to-moderate income category (LMI).

Applications are available at the City Administration Office, 101 N.W. A St., or online at www.grantspassoregon.gov/committee-application.

Applications must be received no later than 5 p.m. Friday, Aug. 13. Applications will be reviewed by the committee Friday, Aug. 20. Appointments will be made by the city council at their meeting Wednesday, Sept. 1.

**Collaborative Economic Development Committee**

Applications are being accepted for two positions on the Collaborative Economic Development Committee (CEDC) due to one expiring term and one resignation. These are three-year appointments.

The CEDC is an advisory committee to the City of Grants Pass and Josephine County and will be responsible for the implementation of the joint Economic Development Strategic Plan adopted by the Grants Pass City Council and Josephine County Board of Commissioners.

Target areas include: services, infrastructure, and workforce development. All members of the CEDC must be at least 18 years of age and reside within the boundaries of Josephine County.

The special qualifications/experience for these two positions include one representative from the manufacturing/industrial industry, and one member-at-large.

Applications are available at the City Administration Office, 101 N.W. A St., or online at www.grantspassoregon.gov/committee-application.

Applications must be received no later than 5 p.m. Tuesday, Sept. 3. Applications will be reviewed by the committee Monday, Sept. 13. Appointments will be made by the city council at their meeting Wednesday, Sept. 15.

**Urban Tree Committee**

One of the best ways citizens can become a part of the public record is by participating in the City Council. It also promotes public awareness of housing resources and promotes public participation in identifying and addressing housing issues and needs.

Applications are being accepted for four positions on the City of Grants Pass Urban Tree Advisory Committee due to expiring terms. These are two-year appointments.

The purpose of the UTAC is to review, develop, and implement programs and activities which promote, protect and enhance the city’s urban forest as a part of the Tree City USA program.

Applications are available at the City Administration Office, 101 N.W. A St., or online at www.grantspassoregon.gov/committee-application.

Applications must be received no later than 5 p.m. Tuesday, Sept. 3. Applications will be reviewed by the committee Monday, Sept. 13. Appointments will be made by the council at their meeting Wednesday, Sept. 15.

**Contacting The Council**

The mayor and councilors are volunteers and do not keep regular office hours. They can be contacted by:

- Phone, email, or by regular mail at 101 NW A Street, Grants Pass, OR 97526.

The City Council appreciates hearing from citizens. Your questions are handled as follows:

- Questions sent by email that are technical in nature will receive a direct response from staff.

Questions regarding policy decisions will be referred to Council for their consideration and response. The mayor and council members can be emailed collectively at: mayorcouncil@grantspassoregon.gov.

Council will only respond to emails with a disclosed name and address.

Please note that all emails become a part of the public record.

**TYPO TALLY!**

A wise old editor once said: “Typos are here for those who won’t be happy until they find one.”

Thousands of words composed of thousands of letters means we are bound to get a few out of place. Let us know when you find them!

Kelly Busch of our own GPDPD pointed out transposed numbers in a phone number listed for her in the July issue. Great catch, Kelly!

Can you find any typos in this August issue?

Email us to let us know, and we’ll thank you in print right here in the next issue! ssabel@grantspassoregon.gov

Art Along The Rogue
Seeks Artists, Vendors

The event will take place in downtown Oct. 1-3.

The City of Grants Pass Committee on Public Art is accepting applications from local artists and vendors to participate in the return of Art Along The Rogue to be held Oct. 1-3. The Art Along The Rogue subcommittee will select several featured artists, as well as multiple participation artists to create chalk and paint images on the street during the weekend event.

Artist applications are available online at: https://travelgrantspass.com/art-along-the-rogue/artist-application/

The subcommittee will select vendors based upon variety and suitability of products to the venue and available vendor space. Vendor booth space is $80 for the event. Some vendor spaces may have power available for an additional $20 charge.

Vendor applications are available online at: https://travelgrantspass.com/vendor-application/

Artists must include an image of the art they hope to produce. All proposed creations must adhere to event criteria explained in the application.

Those who wish to be considered for a featured artist designation need to provide samples of previous work. Featured artists receive a stipend for their participation. Artists can also procure their own sponsors to obtain a space. Space is limited.

In addition to street painting and chalk artists, event organizers are seeking artists in a variety of other art mediums, including oil and watercolor artists, sculptors, potters, jewelry makers, mixed media artists, musicians and more to demonstrate their art making during the event and work in conjunction with planned interactive art activities designed to introduce young people to various art forms.

“The goal of the committee is to open up the event to artists of all types while exposing young people to the artistic process of the artists and providing hands-on activities for young people to experience their own art-making,” said Information Coordinator Steven Sabel. Sabel is the city staff member serving as liaison to the Art Along The Rogue planning committee.

Vendors must include information and images of the products they wish to sell. The committee is committed to selecting vendors who will not replicate products sold by other vendors.

Artist vendors will be given priority where possible. Local nonprofit organizations will also be given priority and nonprofit organizations wishing to host an interactive booth can have their vendor space fees waived by the committee.

For additional information, contact Sabel at (541)450-6011.

Artists Wanted For Art Box Project

The City of Grants Pass in partnership with Oregon Department of Transportation (ODOT) seeks artists interested in submitting artwork to be used as part of a community beautification project that will feature local art on utility boxes in the city.

Interested artists must submit proposed artwork to the city by Sept. 3 for consideration. Proposals will be reviewed by the city’s Committee on Public Art for recommendation to the city council and ODOT for final approval. Selected artists will receive a $250 stipend.

Artists shall provide existing artwork that can be converted to a vinyl wrap or produce color renditions of proposed art to be painted directly on the utility box by the artist. The painting process will require more coordination with ODOT and the artist.

If the painting method is chosen, the artist will coordinate with a city representative and receive appropriate paint materials provided by the city.

The artwork should focus on nature-based elements and enliven the area, transform the street, and reflect the neighborhood or area where the utility box is located. The art should be visible from a distance, therefore artists may choose to utilize bold colors and designs. Artists may submit more than one concept.

Full application details and art specifications can be found at the city’s website: https://bit.ly/3gMD6uB

Historic Marathon Honored With Downtown Marker

The historic “Redwood Empire Indian Marathon,” which occurred in 1927, was honored with an official marker in downtown Grants Pass at the site of the marathon finish line. The marker was dedicated at a ceremony July 21.

Chairman of the Karuk Tribal Council Russell Attebery and other members of the tribe were present for the dedication, along with local dignitaries and members of a reenactment of the marathon that occurred in 1987.

Ward Warren, chair of the city’s Historical Buildings and Sites Commission, described the marker as “an attractive and appropriate addition to our historic district.”

The purpose of the original marathon was to promote the route through the Redwood Empire, a newly-paved highway at the time, beginning in San Francisco and ending in Grants Pass.

The event was an actual foot race between 11 Native American participants. The route traversed each of the towns and cities along the 480-mile Redwood Empire route. The finish line was at Sixth and G streets in downtown Grants Pass.

Participants had to run or walk the entire distance but could stop for rest or sleep as they wished. Each participant was allowed a support car. John Wesley Southard was the first to cross the finish line June 21, 1927, with a time of seven days, 12 hours and 34 minutes.

The marker was constructed with funds obtained by the Umpqua Joe Chapter of the E. Clampus Vitus historical society through a grant from the Four Way Foundation.

To commemorate the 60th anniversary of the marathon in 1987, Grants Pass High School cross country and track coach Wayne Morrow led five other GPHS alums in a reenactment of the marathon. When they crossed the finish line in Grants Pass, the 83-year-old Southard was there to congratulate them.

There has also been discussion of re-staging the marathon to commemorate its 100th anniversary in June 2027. Warren reports that the Oregon Department of Transportation has expressed interest in assisting in the development and facilitation of an appropriate route if a commemorative run finds community support.

“The HBSC believes that this event was significant to the development of tourism along the Redwood Empire route and carries with it a historical event of great interest,” said Warren.

Caveman Pool Potential Intermittent Closures

The City of Grants Pass would like to alert residents to potential intermittent closures of Caveman Pool operations.

The Grants Pass YMCA, which operates the pool for the city, continues to struggle to find lifeguards to staff the pool.

In addition to the staffing shortage, a recent shutdown of a major chlorine chemical plant in Washington state has caused a chlorine chemical shortage across the West Coast. Required muriatic acid is also becoming harder to come by at this time.

City staff is working diligently to procure more of the required chemicals to keep the pool operational, but residents should be aware that there may be intermittent closures of the pool.

“Our swimmers’ safety is our highest priority and we know that with this heat many people are looking forward to cooling off at the pool,” said Parks Superintendent Wendy Giordano.

“I encourage people to take advantage of our spray parks at Riverside and Morrison Parks,” she said.

For additional information about pool operating hours and days, please contact the Grants Pass YMCA.

Anyone interested in applying to become a Caveman Pool lifeguard, should also contact the YMCA: (541)474-0001.
**Planning Manager Opening**

The city is seeking a planning manager (classification title: principal planner) to lead the Planning Division within the Community Development Department.

This position will oversee a $1.2M division budget, six staff, and current and long-range planning in the city, including development and updates for all land use programs, complex planning projects, the Comprehensive Plan, and Development Code.

The planning manager will serve as staff liaison to the Urban Area Planning Commission and oversee staffing of the Housing Advisory Committee and Historical Buildings and Sites Commission.

Additionally, this position will direct consultants and oversee their projects, review and present staff reports, connect with other regional partners, and keep informed of legislative changes that may impact planning and land use in the State of Oregon.

The ideal candidate will demonstrate a high level of emotional intelligence and political savvy, effectively lead and develop staff, break down silos and work effectively across other departments and divisions, keep informed of and apply for appropriate grants, leverage resources and technology to continue to improve processes and efficiencies, and engage the community to ensure they are informed on what is happening within their community and neighborhoods.

Desired qualifications include Oregon planning experience.

**Facilities Maintenance**

The city’s Facilities Management Division is seeking temporary workers to assist with performing maintenance and repairs at city facilities, complete work orders, respond to service calls, troubleshoot issues, and conduct preventative maintenance.

The position pays between $18.14 and $22.96 per hour.

Ideal candidates will have experience in safely and independently repairing and maintaining facilities systems and grounds. Good customer service skills are also a requirement of the position.

The city is also seeking a facilities maintenance technician to join our team. The ideal candidate will work independently and in collaboration with contractors and teammates operating and maintaining city-owned facilities.

Duties will include troubleshooting and repairing HVAC and electrical systems and associated equipment; performing general building maintenance duties; working on facilities-related projects, including mechanical system upgrades; and performing and documenting preventative and predictive maintenance activities.

This position will also assist in training and guiding facilities staff, seasonal workers, and new hires.

This position is covered in the Teamster Bargaining Unit and incumbents must live within a 30-minute drive of their regularly assigned work site.

Minimum qualifications include a high school diploma or equivalent, with two years of building maintenance experience, plus one year of related specialized or technical training in HVAC, electrical and/or plumbing; or an equivalent combination of education and experience sufficient to successfully perform the essential duties of the job such as those listed.

An associate’s degree or two-year technical training certification in a mechanical or electrical trade related to facilities management (i.e. HVAC, electrical, plumbing, and/or fire alarm systems) is preferred.

Candidates must have a valid Oregon driver’s license. Incumbents will be required to obtain CPR certification and confined space entrant, attendant and/or supervisor certification.

Incumbents must be in possession of or obtain any certification or license required by city, state, or federal agencies to work in the assigned position.

---

**Public Safety Records Specialist**

The city’s Public Safety Department is seeking a dynamic customer service individual to join the Records Division. This position provides administrative/clerical support to the Public Safety Department and non-emergency call taking for citizens.

This position is responsible for non-emergency police support services including administration of records and customer service. Duties include public counter and telephone customer service, data entry, review and maintenance of records, electronically routing and filing records and reports, records checks, processing warrants and sealed records, and other general office support activities.

The position works varied shifts from 7 a.m. to 11 p.m., 7 days a week, including weekends and holidays.

Upon successful completion of application review, those invited to move forward will complete a written examination on July 22 or Aug. 10; observe the position Aug. 11-13; and interview Aug. 17.

Minimum qualifications include a high school diploma or GED, and one year of general office experience; or an equivalent combination of education and experience sufficient to successfully perform the essential duties of the job such as those listed in the job description.

Licensing requirements include Law Enforcement Data System Certificate within 30 days of appointment and Typing Certificate of 40 words per minute with a minimum 95 percent accuracy.
