

GRANTS PASS, OREGON

A Workshop about 'Main Street' Revitalization with Small-Scale Manufacturing

Thursday, October 29 @ 6:00-8:00pm
Grants Pass City Council Chambers
101 NW 'A' Street, Grants Pass, OR

Rc We are pleased to welcome Ilana Preuss, Founder of Recast City LLC, to Grants Pass for this workshop!

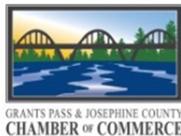

For additional information, contact Tom Schauer at 541-450-6072 or tschauer@grantspassoregon.gov

or visit www.grantspassoregon.gov
Departments > Parks & Community Development >
'Made on Main Street' Workshop

You are invited! The workshop will kick-off with a presentation followed by a discussion with attendees

- ★ **Learn** about the 'Maker Movement': small-scale, low-impact manufacturers ('craft manufacturing', 'maker industries', or 'makers')
- ★ **Hear** about the national context and case studies of 'makers' and 'maker-spaces'
- ★ **Join the discussion** about the potential benefits and challenges of locating craft manufacturers with retail storefronts and 'maker-spaces' in a walkable, mixed-use downtown context
- ★ **Share information** to help us understand the needs of this business sector and whether local maker industries would benefit from specific support or community building initiatives
- ★ **Help** identify short-term and long-term steps to promote and support local maker industries
