

TALENT, OREGON

A Workshop about 'Main Street' Revitalization with Small-Scale Manufacturing

Monday, October 26 @ 5:30pm
Talent Town Hall
206 E. Main Street, Talent, OR

Rc We are pleased to welcome Ilana Preuss, Founder of Recast City LLC, to Talent for this workshop!

For additional information, contact Zac Moody at
541-535-7401 or zmoody@cityoftalent.org
or visit www.cityoftalent.org

You are invited! The workshop will kick-off with a presentation followed by a discussion with attendees

- ★ **Learn** about the 'Maker Movement': small-scale, low-impact manufacturers ('craft manufacturing', 'maker industries', or 'makers')
- ★ **Hear** about the national context and case studies of 'makers' and 'maker-spaces'
- ★ **Join the discussion** about the potential benefits and challenges of locating craft manufacturers with retail storefronts and 'maker-spaces' in a walkable, mixed-use downtown context
- ★ **Share information** to help us understand the needs of this business sector and whether local maker industries would benefit from specific support or community building initiatives
- ★ **Help** identify short-term and long-term steps to promote and support local maker industries
