

PHOENIX, OREGON

A Workshop about 'Main Street' Revitalization with Small-Scale Manufacturing

Tuesday, October 27 @ 10:00am
Phoenix Library
510 West 1st Street, Phoenix, OR

Rc We are pleased to welcome Ilana Preuss, Founder of Recast City LLC, to Phoenix for this workshop!

For additional information, contact Matt Brinkley at 541-535-2050 or matt.brinkley@phoenixoregon.gov or visit www.phoenixoregon.gov

You are invited! The workshop will kick-off with a presentation followed by a discussion with attendees

- ★ **Learn** about the 'Maker Movement': small-scale, low-impact manufacturers ('craft manufacturing', 'maker industries', or 'makers')
- ★ **Hear** about the national context and case studies of 'makers' and 'maker-spaces'
- ★ **Join the discussion** about the potential benefits and challenges of locating craft manufacturers with retail storefronts and 'maker-spaces' in a walkable, mixed-use downtown context
- ★ **Share information** to help us understand the needs of this business sector and whether local maker industries would benefit from specific support or community building initiatives
- ★ **Help** identify short-term and long-term steps to promote and support local maker industries
