

GOLD HILL, OREGON

A Workshop about 'Main Street' Revitalization with Small-Scale Manufacturing

Tuesday, October 27 @ 6:00pm
Gold Hill City Hall
420 6th Avenue, Gold Hill, OR

Rc We are pleased to welcome Ilana Preuss, Founder of Recast City LLC, to Gold Hill for this workshop!

For additional information, contact Rick Hohnbaum at
541-855-1525 or rick.hohnbaum@ci.goldhill.or.us
or visit www.ci.goldhill.or.us

You are invited! The workshop will kick-off with a presentation followed by a discussion with attendees

- ★ **Learn** about the 'Maker Movement': small-scale, low-impact manufacturers ('craft manufacturing', 'maker industries', or 'makers')
- ★ **Hear** about the national context and case studies of 'makers' and 'maker-spaces'
- ★ **Join the discussion** about the potential benefits and challenges of locating craft manufacturers with retail storefronts and 'maker-spaces' in a walkable, mixed-use downtown context
- ★ **Share information** to help us understand the needs of this business sector and whether local maker industries would benefit from specific support or community building initiatives
- ★ **Help** identify short-term and long-term steps to promote and support local maker industries
