

CITY OF GRANTS PASS, OREGON CLASS SPECIFICATION

Water Treatment Plant Specialist I

FLSA Status : Non-Exempt
Bargaining Unit : Teamsters
Salary Grade : TE6

CLASS SUMMARY:

The Treatment Plant Specialist I is the fourth level in a seven level Utilities Operation Series. Incumbents are responsible for learning and performing daily operations and basic to semi-skilled maintenance of the water treatment plant, lift stations, and/or pump stations. Incumbents will learn and perform preventative maintenance, facilities and equipment repair, construction, sampling and analyzing processes to determine regulatory compliance, recommending and/or making process adjustments, completing and compiling computer based data and files, interpreting regulations, performing customer service activities with vendors and contractors, and fabrication. Incumbents create and update maintenance records, and operate hand and power tools and light equipment. Incumbents will perform duties under the guidance of a higher level classification, and may provide assistance to temporary and seasonal workers.

The Treatment Plant Specialist I is distinguished from the Utilities Worker by its focus on water treatment plant operations and facilities maintenance.

CORE COMPETENCIES:

- ***Integrity/Accountability:*** Conducts oneself in a manner that is ethical, trustworthy and professional; demonstrates transparency with honest, responsive communication; behaves in a manner that supports the needs of Council, the citizens and co-workers; and conducts oneself in manner that supports the vision and goals of the organization taking pride in being engaged in the community.
 - ***Vision:*** Actively seeks to discover and create ways of doing things better using resources and skills in an imaginative and innovative manner; encourages others to find solutions and contributes, regardless of responsibilities, to achieve a common goal; and listens and is receptive to different ideas and opinions while solving problems.
 - ***Leadership/United:*** Focuses on outstanding results of the betterment of the individual, the organization and the community; consistently seeks opportunities for coordination and collaboration, working together as a team; displays an ability to adjust as needed to accomplish the common goal and offers praise when a job is done well.
-
