Member/User Name _____

Requested 4 digit PIN _____

Vehicle license plate numbers that will be utilized with this member/user name and PIN:

Per the State of Oregon, a water supplier must maintain records of hauled water sales that include the name and contact information of the person that purchased the water, the date of the sale, the quantity of water purchased, and the license plate number of the vehicle used to haul the water. The record is required to be maintained for 12 months after the sale date and must be given to law enforcement or the Water Resources Department immediately upon request.
