
ORGANIZATION CHART

The Organization Chart for the City of Grants Pass displays the full time equivalencies and the methods of reporting for the City organization. Your local government is a broad mix of services. We operate three independent utilities: Solid Waste, Water, and Wastewater. The governmental side of our organization is dominated by Public Safety, delivering a range of law enforcement, fire, and preventive services. The management of growth and development is vested in our Community Development Department. Street maintenance and drainage systems are provided by Public Works. Park maintenance, together with the downtown and tourism programs, is administered by Parks and Community Services. The third part of our community promotional system, Economic Development, is located in the City Manager's office.

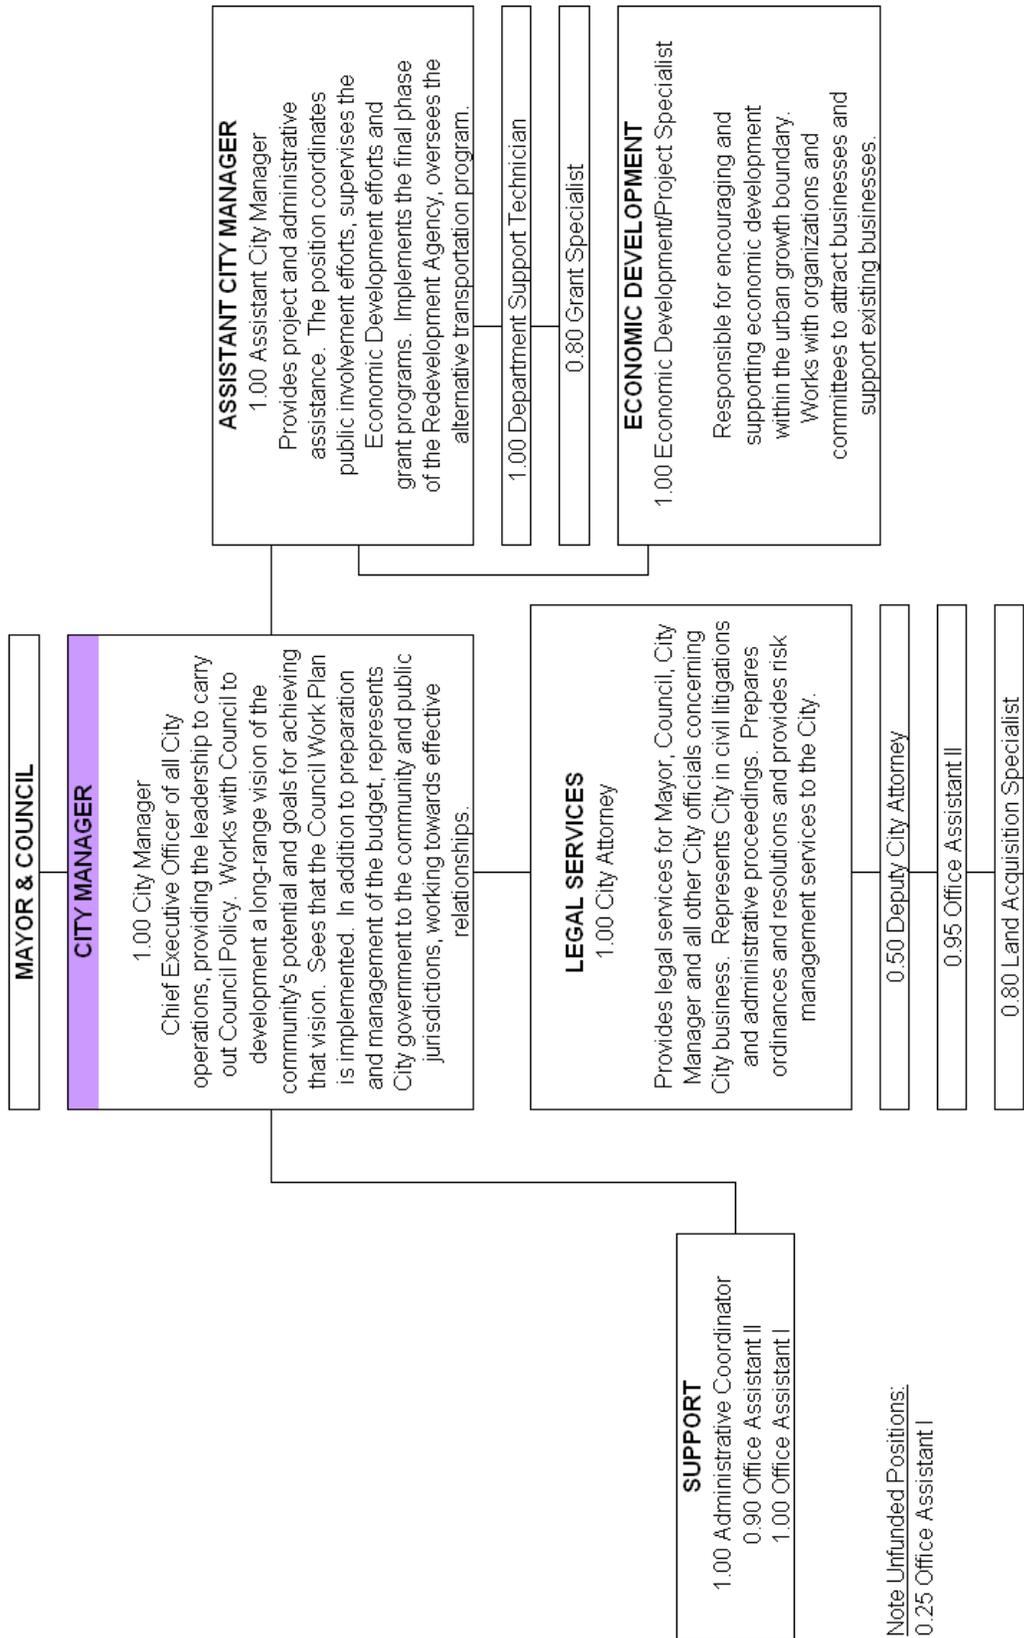

The organization is divided into five major divisions; Public Safety, Administrative Services, Community Development, Parks and Community Services, and Public Works. The directors for these major responsibilities, along with the City Attorney, Assistant City Manager and the City Manager, constitute the Executive Management team for the City. The City Manager and this team meet routinely to coordinate the delivery of services and analyze issues for the City Council's decision making.

The following organization charts show each department and its permanent personnel. We extensively use volunteers, contractors, and on-call/seasonal personnel that are not shown in the organization chart. A great example is Public Safety where dozens of full-time job equivalents are created in the many services provided by the department through firefighting interns, on-call personnel for office and dispatching services, and countless hours of volunteer support for the Public Safety Academy and Auxiliary Services.

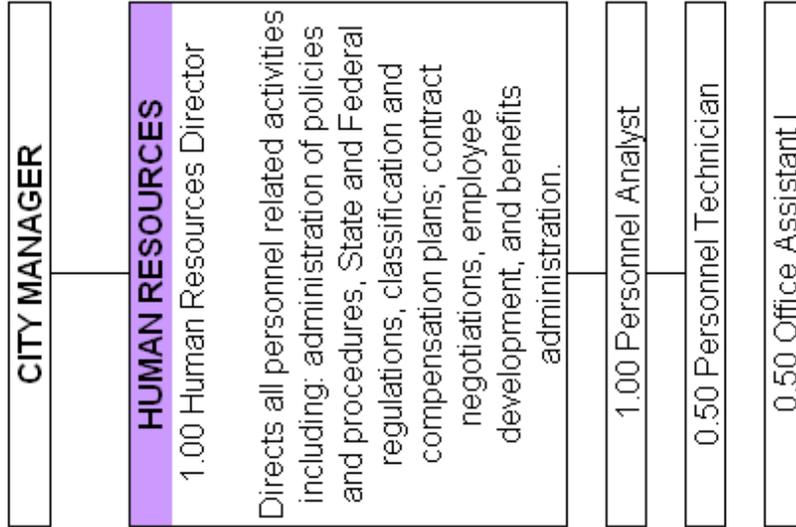

The City of Grants Pass is a dynamic organization. We are constantly working to develop better ways to coordinate services and assure our residents the best possible services delivered in a way that makes sense and meets the needs of most of our citizens.
