Date: 1/29/2017

Nature: Structure Fire

Incident Number:17-730405

Location:239 NE D Street

Date/Time Reported: 1/29/2017 03:19

Complete by: BC DeLonge

Approved by: Chief Landis

Narrative:

On 1/29/2017 at 0319 hrs., Grants Pass Department of Public Safety received a report of a structure fire at the corner of D and 8th St. Units from Grants Pass Fire Rescue, Grants Pass Police, Rural Metro Fire Department and American Medical Response were notified and responded.

On arrival crews found heavy fire showing from the back of the structure. Due to the amount of fire and the age of the building a second alarm was issued. Crews worked hard to knock down the fire and it was under control approximately 28 minutes after arriving. The building had been vacant and was unoccupied. There were no injuries to civilians or firefighters.

During the fire we had units from Illinois Valley Fire, Applegate Fire, and Rogue River Fire moved up to cover other calls as they came in. We would like to thank them for their assistance.

The cause of the fire is under investigation. Anyone with information regarding the fire is requested to contact the Grants Pass Department of Public Safety at 541-450-6260.
